

Pictorial Pediatric Symptom Checklist (PPSC)

La salud física y emocional de su niño(a) van de la mano. Los padres son los primeros en notar un problema de comportamiento, de conducta emocional o de aprendizaje. Usted puede ayudar a su hijo(a) a obtener el mejor servicio del doctor al contestar a estas preguntas.

Indique con una la frecuencia con la que su niño(a) hace lo que se muestra en la pregunta:

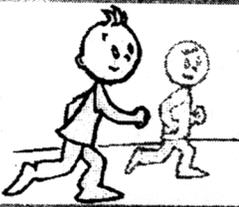

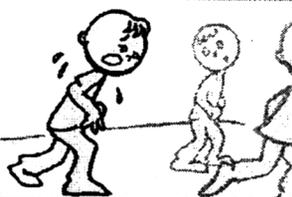

1 Si lamenta di un dolore o di un disagio

| | | | | | | | | |
|---|-----|--------------------------|---|---------------|--------------------------|--|----------------|--------------------------|
|  | Mai | <input type="checkbox"/> |  | Qualche Volta | <input type="checkbox"/> |  | con frecuencia | <input type="checkbox"/> |
|---|-----|--------------------------|---|---------------|--------------------------|--|----------------|--------------------------|

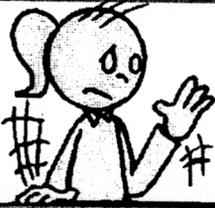

2 Trascorre molto tempo da solo

| | | | | | | | | |
|---|-----|--------------------------|--|---------------|--------------------------|---|----------------|--------------------------|
|  | Mai | <input type="checkbox"/> |  | Qualche Volta | <input type="checkbox"/> |  | con frecuencia | <input type="checkbox"/> |
|---|-----|--------------------------|--|---------------|--------------------------|---|----------------|--------------------------|

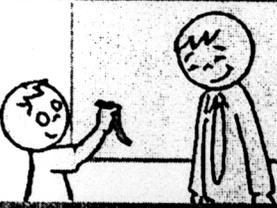

3 Si stanca facilmente, si affatica

| | | | | | | | | |
|--|-----|--------------------------|---|---------------|--------------------------|--|----------------|--------------------------|
|  | Mai | <input type="checkbox"/> |  | Qualche Volta | <input type="checkbox"/> |  | con frecuencia | <input type="checkbox"/> |
|--|-----|--------------------------|---|---------------|--------------------------|--|----------------|--------------------------|

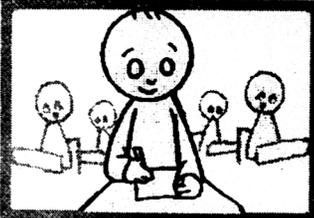

4 E' irrequieto, non riesce a stare seduto

| | | | | | | | | |
|---|-----|--------------------------|---|---------------|--------------------------|--|----------------|--------------------------|
|  | Mai | <input type="checkbox"/> |  | Qualche Volta | <input type="checkbox"/> |  | con frecuencia | <input type="checkbox"/> |
|---|-----|--------------------------|---|---------------|--------------------------|--|----------------|--------------------------|

5 Ha qualche problema con gli insegnanti

| | | | | | | | | |
|--|-----|--------------------------|---|---------------|--------------------------|--|----------------|--------------------------|
|  | Mai | <input type="checkbox"/> |  | Qualche Volta | <input type="checkbox"/> |  | con frecuencia | <input type="checkbox"/> |
|--|-----|--------------------------|---|---------------|--------------------------|--|----------------|--------------------------|
